

ALL SAINTS REGIONAL CATHOLIC SCHOOL

Dear Parents...and Students,

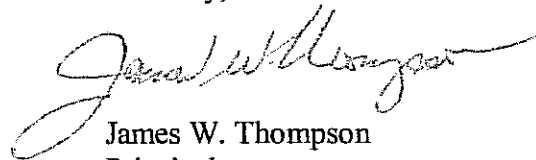

As mentioned in previous correspondence, I am sending home, along with this letter, an information brochure on Tomorrow's Hope Foundation's "Laps for Learning" Walk/Bike-A-Thon Extravaganza. This event will take place at Cedar Creek Park in Seaford, L.I., on Saturday, September 22, 2007 (directions in brochure). Besides being a fun event, half the proceeds from Pledges and Sponsorships will come back to our school, and the other half will go toward the funding of technology and curriculum enhancement programs in each school in the Diocese of Rockville Centre...All Saints included!

So.....

1. Please read through the brochure for specific information.
2. Get together with classmates and family members to decide if you'll be walking or biking. (Parents, friends and relatives invited to register.)
3. Arrange for friends and relatives to sponsor you.
4. Complete and return your Registration/ Laps for Learning Pledge Sheet to school by Monday, September 17, 2007, or you can register on line at www.tomorrowshopefoundation.org
5. The Registration Fee of \$10.00 includes a free lunch, T-Shirt, and 1 free Admission to the L.I. Children's Museum.
6. And if that's not enough...Entertainment in the form of a DJ, face painting, Clowns, balloons, NY Islander Inflatable rides, Raffles and much more.

I hope to see you there.

Sincerely,

James W. Thompson
Principal
