Dear Parents and Guardians,

Once again, Welcome Back! We are off to a great start. A few reminders and update as we begin this school year:

### A.M./Lunch/P.M. Access Up the Hill

In order to ensure the safety of our children, cones are placed across the driveway to prevent access up the hill during morning arrival, lunch recess, and dismissal. To avoid a dangerous situation & set a good example for our children, please comply with this policy.

### Who Let the Dogs Out?

We request that if you have a pet dog, please do not bring them into the arrival/dismissal area in the parking lot. To avoid a potential accident, please leave them home or, if you must bring them with you, in the car. Thank you!

### Tomorrow's Hope Bik-A-Thon

The Tomorrow's Hope Foundation is involved in many activities which raise funds for Scholarship Programs. This year they will be sponsoring a Bik-A-Thon at Cedar Creek Park on Saturday, September 22, 2007. Please be on the lookout for an Information and Registration Brochure on this event. I intend to be there and hope to see you there, also.

### A Very Special Thank You To:

- Mr. Brian Falgoust for his assistance in sponsoring, coordinating, and executing the reconstruction of one of our special service rooms off the Art Room...and to
- Mr. Sal Vivona for his time, materials, and skill in reconstructing/re-plastering numerous walls and ceiling areas throughout the school which were in dire need of repair due to water seepage and rain damage...and to
- Mr. John Banks and Mr. Robert Jakobsze for renovating our school sign...and YES
- Our roof has been replaced. I, for one, look forward to many years of "drip less" ceilings. Thank you for supporting this major improvement through your \$100.00 Roof Replacement surcharge.

Sincerely,  
James W. Thompson
